"Summer Challenge"

Calvert Hospice

Care, Comfort, Compassion

Calvert Hospice provides care for those living with a life-limiting illness and support for their families. The Burnett-Calvert Hospice House, located in Prince Frederick, is now open and welcoming patients living their final days with an illness. Hospice care is provided regardless of ability to pay. Bereavement support, including a variety of support groups, individual counseling, and other programs, is available at no charge to any Calvert County resident grieving the loss of someone close, whether or not that person was a hospice patient.

Hospice of St. Mary's

Choices for Comfort...Options for Hope!

Hospice of St. Mary's has been providing compassionate end-of-life care to the citizens of St. Mary's County for over 25 years. Our mission is to provide physical, emotional, and spiritual care to our patients and their families. Hospice also offers a host of free support groups and children's programs for those dealing with the loss of a loved one.

Southern Maryland Sailing Foundation for over 10 years has supported youth sailing in Southern Maryland including the Sailing Center Chesapeake, a community resource. Activities include high school sailing, many youth and adult sailing classes, and hosting of championship regattas.

Prince Frederick Rotary Foundation for many years has awarded three to six college scholarships. Every fall, it gives each third grader in Calvert County a dictionary to keep throughout the student's career. Rotary supports food for the needy and hungry in our communities.

Fund Raising Ideas for Your Boat

1. Set a cash goal.
2. Have a personal cause. Others will relate to a personal experience.
3. Ask everyone you know to help you reach your goal.
4. Start planning now!

Go to the Summer Challenge web site for a full list of fund raising tips.
